GET :

URL: <https://app.workato.com/recipes/48039307-get#recipe>

The screenshot displays the Workato application interface in a web browser. The browser's address bar shows the URL: app.workato.com/recipes/48039307-get/test?job_id=j-AMeLd4c9-ccPwQd. The Workato interface has a dark header with a 'get' button, tabs for 'RECIPE' and 'TEST JOBS', and buttons for 'Save', 'Test recipe', and 'Exit'. Below the header, a status bar indicates the time '5:27:30 AM' and a message: 'Started at Jun 2, 2024 5:27:30 AM (PDT) using recipe version 7'. A green checkmark and the word 'Successful' confirm the job's completion. A 'Repeat job' button is located in the top right of the status area. The main workspace shows a vertical flowchart of the recipe steps: 1. 'Trigger every 250 minutes' (with a clock icon), 2. 'Search for Accounts in Salesforce' (with a Salesforce icon and a 'Batch' button), 3. 'Parse JSON document' (with a JSON icon), and 4. 'Upload a file to FTP/FTPS server' (with an FTP icon and a 'File' button). On the right side of the flowchart, there are controls for zooming in (+), zooming out (-), and resetting (a square with a circle). An 'AssistIQ' button is visible in the bottom right corner of the workspace. The Windows taskbar at the bottom shows the date and time as '5:57 pm 02/06/2024' and the language as 'ENG IN'.

DELETE:

URL: <https://app.workato.com/recipes/48039437-delete#recipe>

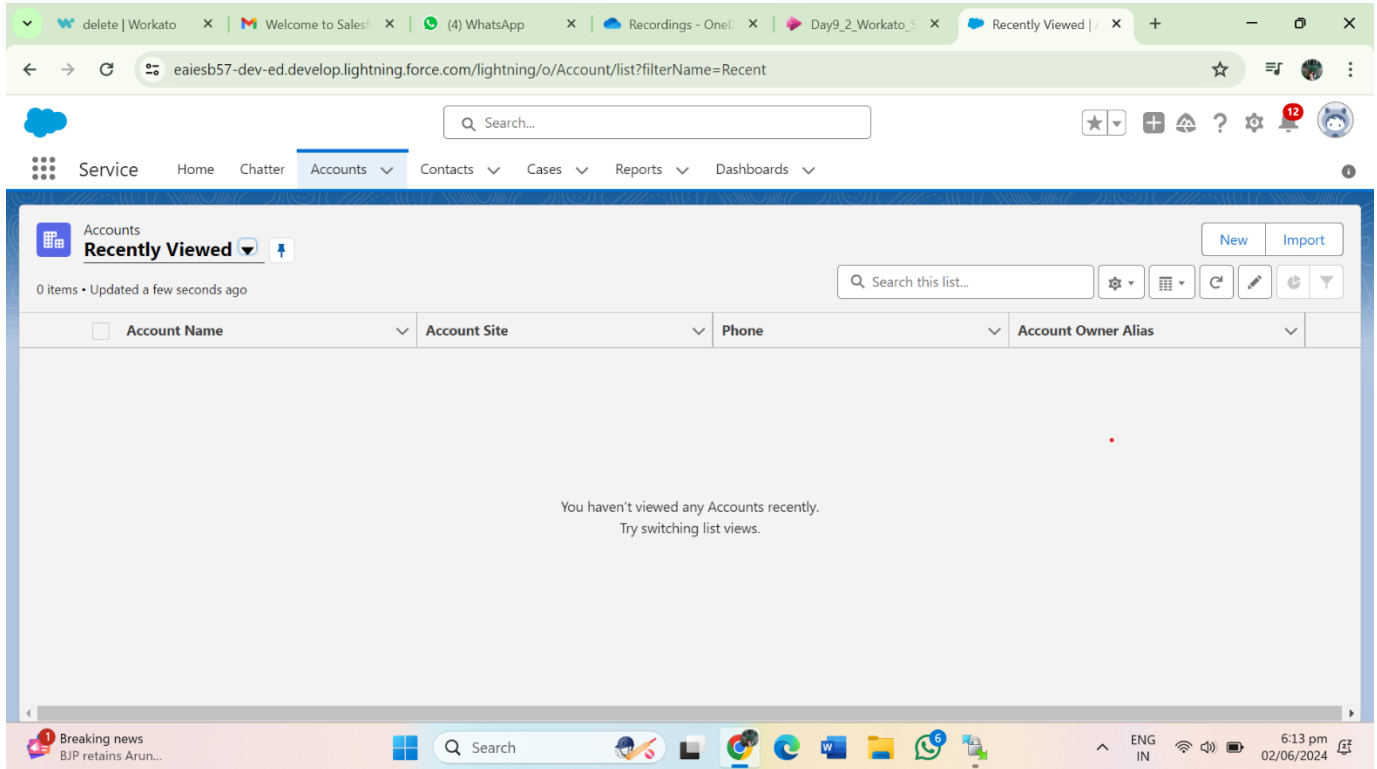

The screenshot displays the Workato web application interface. At the top, the browser's address bar shows the URL: app.workato.com/recipes/48039437-delete/test?job_id=j-AMeLp9wK-LteBtG. The interface has a dark header with the recipe name 'delete' and tabs for 'RECIPE' and 'TEST JOBS'. A 'Save' button and links for 'Test recipe' and 'Exit' are also present.

The main content area shows a status message: '5:40:23 AM' followed by 'Started at Jun 2, 2024 5:40:23 AM (PDT) using recipe [version 2](#)'. Below this, a green checkmark indicates the job was 'Successful'. A 'Repeat job' button is located in the top right corner of the status section.

The workflow diagram is displayed on a grid background. It is divided into two sections: 'TRIGGER' and 'ACTIONS'.
1. Under 'TRIGGER', there is a step labeled 'Trigger every 250 minutes'.
2. Under 'ACTIONS', the first step is 'Delete Account in Salesforce'.
3. The second action step is a red stop button labeled 'STOP job'.
The workflow ends with an 'End' node.

At the bottom of the screen, a Windows taskbar is visible, showing the system clock as 6:10 pm on 02/06/2024, along with weather information (32°C, Light rain) and various application icons.
